Synopsis

Join Jordan Rubin and Dr. Pete Sulack in unlocking the powerful secrets that will take your dreams from recognition to fulfillment. It's their conviction that you can change the world with your God-given dream. This is the essence of the "Joseph Blessing."

Knowing and recognizing your God-given dream influences those around you in ways you never thought possible. If you call on the name of the Lord, He will give you His dream for your life. Joseph endured incredible opposition and persecution, only to be elevated to a key position of influence and to watch his dream come to pass before his eyes. God is just waiting to give you the same blessing He bestowed upon Joseph.
