

Job Title: Service Technician
Reports To: Service Manager
Job Type: Full Time
Location: Monroe, NC

Spiroflow Systems, Inc. is a worldwide supplier of both standard and custom powder handling equipment, specializing in bulk bag dischargers and fillers, mechanical and pneumatic conveyors, robotic palletizing, automatic packing, and pick and place solutions.

We are growing and we have an opportunity for a Service Technician at our corporate headquarters in Monroe, NC. The ideal candidate will be proactive, thorough and enjoy doing quality work.

Requirements:

- Knowledge of industrial electrical controls
- PLC programming capabilities and troubleshooting skills
- Knowledge of pneumatics
- Mathematically and mechanically inclined
- Hard working and reliable
- Willing to travel within the United States and internationally

Qualities preferred but not required:

- General knowledge of physics and chemistry
- General knowledge of geometry and trigonometry
- Bilingual (Spanish)

Our employees earn competitive salaries and enjoy a comprehensive benefits package including medical, dental, vision coverage, life insurance, generous vacation days and a 401(k) plan.

To apply, please complete the short 3 part application process. Click here to apply:
