Debt Relief Services

Debt Management Plans

Our DMP can provide you a repayment plan that you can afford for your credit cards, IRS debts, medical bills, collection accounts and other unsecured debts.

Pay Day Loan Assistance

DMCC can get you an affordable repayment plan for your payday loans; PLUS, if you are a Florida resident, a 60 day deferment.

Student Loan Assistance

DMCC counselors will determine your available options and help you get a forbearance, consolidation or an affordable repayment plan.

Credit Services

Credit Score Analysis

Get a written report that shows you specific actions you can take to increase your credit scores within 60 days.

Housing Services

Foreclosure Prevention

Learn how to stay in your home; Plus, if you are a South Florida homeowner, we will prepare your loan modification documents for free.

Home Buying Education

Get a completion certificate that meets the educational requirements of many financial assistance programs.

Reverse Mortgage Counseling

If you are 62 or older, learn about the loan that pays you and get the required counseling certificate.

Counseling Services

Bankruptcy Certificates

DMCC can provide you the counseling and educational certificates required to file bankruptcy and have your debts discharged.

Budget Counseling

Speak to a certified credit counselor for a free budget analysis, including recommendations to reduce your spending and repay your debts.
