## **Becker's Hospital Review Names 100 Hospitals with Great Women's Health Programs**

CHICAGO — *Becker's Hospital Review* has published the 2014 edition of its annual list, "100 hospitals with great women's health programs."

The hospitals featured all offer outstanding health services geared toward women, such as gynecology, obstetrics, women-focused heart care and women-focused cancer care, among other women's health needs. *Becker's Hospital Review* has published a version of this list annually since 2012.

The *Becker's Hospital Review* editorial team selected hospitals for inclusion based on clinical accolades and recognition for women's health excellence from various healthcare groups and agencies. Those agencies include *U.S. News & World Report*, Healthgrades, CareChex and UNICEF's Baby-Friendly Hospital Initiative.

The "100 hospitals with great women's health programs" 2014 list includes the following hospitals:

Abbott Northwestern Hospital  
(Minneapolis).

Advocate Christ Medical Center (Oak Lawn,  
Ill.).
