

Create Your Own Channel

BYL Network, Inc.
Step-By-Step Instructions

What is BYL Network, Inc.?

BYL Network, Inc. is a broadcast network offering a proprietary system designed to upload, manage, store, stream and broadcast an array of media files “Live” or “On-Demand”.

This network was designed to offers users, brands and content providers a unique way to manage, stream and share content around the world. We look forward to making your life even better. That is what BYL Stands for (Better Your Life).

Enclosed in this document you will be provided with step-by-step instructions to create your own personalized channel. Welcome to BYL!

Creating Your Channel

Step 1: Log onto www.bynetwork.com

Step 2: Click “Create An Account” located at the footer of the site or click on the “My Channel” icon in the remote control. You can also access the registration page by clicking on the “Don’t have an account?” button in the user login box.

Step 3: Fill out the “Welcome to BYL” registration form and Create a Channel Name.

- You can choose up to 10 characters or less for your name.
- Channel Name should represent your company name, Business name or personal nick name.
- Password must be a combination of numbers and letter.

Step 4: Check your email and click on link to activate Your channel. Be sure to check spam as well.

user login:

<input type="text" value="EMAIL ADDRESS"/>	<input type="password" value="PASSWORD"/>	LOGIN

Creating Your Profile

Step 5: Log in with your user name and password.

Step 6: Once logged in, you can now start to upload files and images. You can now add a brand or company logo or image to the Avatar located next to your "channel name". After you click on the image, then click on the My Account Tab to upload the thumbnail image.

Step 7: You can start to upload videos, radio interviews, websites, social links and even upcoming events and press all to all appear in your remote control.

Click on avatar to access "My Account" Tab. This is where you can upload an image to appear in your remote control.
