

U-WAY LAUNCHES SERIES OF APPLE MFI-APPROVED Qi WIRELESS CHARGING CASE for iPhone 6

A series of brand new cases for the Apple iPhone 6 model have just been released by U-Way, these durable, rugged and sleek cases for the iPhone 6 achieved perfect combination of both MFi and Qi capability.

U-Way has introduced newest iPhone 6 case - Qi Wireless Charging ANTI-IMPACT SHIELD for iPhone 6 (Model No.: IP6-00203), which fully certified by Apple MFi & WPC Qi. The case are fully compatible with all Qi wireless chargers, it can be simply put on the Qi wireless charger to charge up, cord free!

The dual layer protection with impact-resistant design case made by high quality TPU+PC material, it providing a protective barrier against scratches and drops, also the soft touch and light-duty case provides protection from minor bumps and scratches while maintain its sleekness and tactility.

The sweet point of this product is the special design detachable Qi receiver clip in the bottom, it can be easily pulled out and using Lightning cable for sync/charge alternatively.

This slim casing simply clip onto the iPhone 6 phones for a perfect fit with precision machine cut-outs for the camera, power button, volume buttons and ports, it allow full access to all the features and functions of the iPhone 6 without the hassle of untangling charging cables

The case are so slim, lightweight and form-fitted that they add little no weight to the iPhone 6 whilst providing great protection from everyday use, Extra thickness with soft TPU corner gives your iPhone 6 more shock absorbent. The case customization on color are available.

Apple MFi approved ensures its quality and compatibility, tested to be compatible with IOS operation system and following updates.

Method of use:

Step 1: Hold and press the button and pull out the clip from the case;
Step 2: Connect PC and iPhone 6 via Lightning cable for data transferring;
Step 3: Slide in the clip to the case once sync/charge is done.

Apart from it, U-Way are pleased to announce another 2 battery cases models for iPhone 6 as follows:
