## **Thomas Vansittart joins AerSale as Director of Airframe Material Sales for EMEA**

For Immediate Release:

Coral Gables, FL – January 15<sup>th</sup>, 2015. AerSale, Inc. announced today that Thomas Vansittart has joined the AerSale team as Director of Airframe Material Sales - EMEA, to further support the Company's global footprint in the European and Middle East Regions. Based in the UK, Thomas will be responsible for leading the AerSale airframe materials team that is based in both the London area as well as at AerSale's Dublin office.

Thomas most recently served as Team Leader - Customer Material Group at British Airways. Previously, Thomas spent 15 years with Virgin Atlantic Airways in various supply chain management roles including Project Management, Stores Management and Buyer/Planner positions.

Dwayne Adcock, AerSale's Vice President-Airframe Materials said "We believe the airline experience Thomas brings to us will prove to be a great asset to AerSale and we are excited to have him join the team".

### **About AerSale**

AerSale is a global leader in the supply of commercial aircraft, engines and OEM used serviceable material to passenger and cargo airline operators, leasing organizations, governmental entities, multinational OEMs and independent MROs. AerSale also offers asset management services to owners of end-of-life aircraft and engine portfolios. More information can be found at [www.aersale.com](http://www.aersale.com).
