Milgard Receives Best of Houzz 2015 Award

Tacoma, WA (January 20, 2015) – Milgard has been voted as a winner of the “Best of Houzz 2015” for Design by the Houzz community. Houzz is the leading platform for home remodeling and design, with the largest residential design database in the world. Milgard Windows & Doors was chosen by more than 25 million monthly unique users in an annual survey and analysis of the platform’s most popular images of 2014.

Milgard’s Houzz portfolio features photography of all nine Milgard product lines in a range of styles to inspire homeowners, design enthusiasts and industry professionals across the country.

“Houzz provides homeowners with a 360 degree view of home building, remodeling and design industry professionals, empowering them to engage the right people and products for their project,” said Liza Hausman, vice president of industry marketing for Houzz. “We’re delighted to recognize Milgard Windows & Doors among our “Best Of” professionals as judged by our community of homeowners and design enthusiasts who are actively remodeling and decorating their homes.”

The Best of Houzz 2015 will be used as a homeowner-to-homeowner guide for top home builders, architects and other residential remodeling professionals. Winners receive a “Best Of Houzz 2015” badge on their profiles, helping Houzz users around the world who discover and love a professional’s work to learn even more about that business’ popularity and satisfaction rating among their peers in the Houzz community.
