

## **EarthBend to Appear at Crexendo 2015 Business Partner Conference**

### ***Will Highlight Distribution Portfolio of Technology Solutions and Support Services***

**SIOUX FALLS, S.D., Jan. 21, 2015** — [EarthBend](#), a premier value-added distributor of business telecommunications and IT solutions, today announced that it will be appearing at [CrexWorx](#), the second annual Crexendo Business Partner Conference. The event is being held January 21 – 23 in Tempe, Arizona.

The Business Partner Conference is an opportunity for Crexendo to showcase its world class products and services to its partners and resellers. Crexendo invites its business partners, including master agents, subagents, independent agents, VARs, MSPs, consultants and brokers, to meet and share ideas with the Crexendo team. Crexendo will share its product and services roadmap with its partners as well as training sessions and demonstrations of the substantial benefits and cost savings of the award-winning Crexendo cloud communications suite of services. There will also be demonstrations of Crexendo's newly released enhanced end-points (telephone desk sets) and the additional features and cost savings they deliver.

EarthBend recently entered into a master agent agreement with Crexendo. The partnership provides EarthBend channel partners the opportunity to expand their solution portfolios with the Crexendo Cloud Communications Platform. The Crexendo Cloud Communications Platform offers a sophisticated enterprise-class feature set to businesses of any size at a fraction of the cost of traditional communications solutions.

"As a Crexendo master agent, the CrexWorx Business Partner Conference is an exceptional opportunity for us to come together with attendees and highlight the true value we can bring to the partner channel," said Ryan Donovan, EarthBend's General Manager and VP of Sales and Service. "We are excited to be attending this event and look forward to discussing with attendees the full range of technology solutions and support services EarthBend has to offer."

"We are very pleased that EarthBend will be appearing at this year's Crexendo Business Partner Conference," said Steven G. Mihaylo, Crexendo's Chief Executive Officer. "EarthBend has established a sterling reputation within the partner channel for delivering innovative and proven technology solutions paired with exceptional customer service and support. Crexendo shares in that vision, and our world-class Cloud telecommunications offering is the perfect addition to their distribution portfolio."

#### **About EarthBend:**

EarthBend has been distributing telephony peripherals and IT solutions to a vast group of telecommunication resellers since 1993. In addition to its North American distribution footprint, EarthBend has been serving clients directly in the Midwest for 32 years. Today, EarthBend serves as an extension of its 3,000 plus customers, providing highly qualified engineers with key certifications from some of the largest voice, data and technology manufacturers in the industry. EarthBend's offerings are highly scalable, secure, easily managed and optimized to meet evolving customer needs, and with an extreme focus on delivering cost-effective solutions and best-in class customer satisfaction.
