

BATTLE READY™ INTERNATIONAL

Battle Ready International is proud to sponsor West Point's Army Pistol Team, who has won 5 of the last 6 National Championships and the Army Combat Weapons Team, which has also won multiple National Championships in the last decade. Both teams currently use BUL M-5 Government 9mm in competition.

"Shortly after receiving our BUL M-5 Government model 9mm pistols; we participated in a steel challenge pistol match. Without any opportunity train with the pistols or test them for function and reliability, three of my veteran competitors chose to use the BUL M-5 Government pistols for the competition - just because they felt right. The pistols functioned perfectly and all three competitors shot personal best times. Our next competition is the collegiate national championship. We will be competing with our BUL M-5 Government model pistols."

Coach Duston Saunders, LTC U.S Army (retired). Duston has Won 9 Inter Collegiate National Pistol Championships, was selected Pistol Coach for Team USA in 2011, 2013 and 2015 World University Games as well as Pistol Coach for the Warrior Trials for the 2014 Wounded Warrior Games.
