TRUMPET

BEHAVIORAL HEALTH

COMING FEBRUARY 2015

Peoria Autism Center

Trumpet's Peoria Autism Center will specialize in the treatment of children with Autism and other developmental disorders.

Services include intensive 1:1 ABA therapy, social skills groups year-round, parent training, and additional workshops. We help with insurance questions and offer free benefits review.

Center-Based Programs Include Assessments and Individualized Treatment/Behavior Plan to Reduce Problem Behavior

Skills Assessment, Individualized Program/Curriculum Development and Instruction

Social Skills Groups

Caregiver Training and more!

Trumpet Behavioral Health works with a variety of insurance payors and funding sources including: BCBS, United, Magellan, Cigna, LifeSynch, Tricare and more.
