Ness Turf Equipment Introduces the Club Car Carryall 500 *Versatile, Powerful Turf Utility Vehicle*

Kapolei, HI (February 5, 2015) – Ness Turf Equipment, the premier distributor of ag and turf solutions in Hawaii and the Outer Islands, announces the expansion of its Club Car® Turf Utility Vehicle product line with the addition of the Carryall 500. Available in both gas and electric models, the Club Car Carryall 500 is the most versatile turf utility vehicle in its class.

According to Jay Yasumishi, Sales Representative, “The redesigned cargo bed has been carefully engineered to carry up to 800 pounds of tools and equipment. The additional bed-dividers and tool holders enable you to transport rakes, trimmers, fuel containers, ladders and leaf blowers with ease.”

Leonard Smith, General Manager, adds, “The EFI Powertrain features the Subaru 404cc engine that delivers more horsepower and increased fuel efficiency.” Smith concludes, “Best of all, each Carryall 500 has a payload capacity of 1,500 pounds to make this your go-to vehicle to help you complete any job.”

Contact Leonard Smith, General Manager, at 808.486.8301 for more information on the Carryall 500 and the other models of Club Car Turf Utility Vehicles.

About Ness Turf
