

FOR IMMEDIATE RELEASE:

AAVID THERMALLOY ANNOUNCES FINAL RESULT OF ITS GLOBAL ART AND ENGINEERING CHALLENGE

LACONIA, NH – February 5, 2015 – Joe Nicolato, Aavid’s event executive announced the final results for 2014 Aavid global Art and Engineering Challenge. Selected artwork from 21 international finalists were exhibited in the US, Europe and Asia on its global journey and was viewed by thousands of attendees to the events.

Aavid is pleased to announce the winners of the Art and Engineering Challenge:

- 1st place: Parametric Extreme, Oliver Tessin, Munich, Germany
- 2nd place: The Time Traveler’s Amp, Steve Rolfe, Massachusetts, United States
- 3rd place: Generico Chair, Marco Hemmerling, Cologne, Germany

Congratulations to all of our artists, engineers and attendees for making these events a true intersection of art and engineering.

About Aavid Corporation
