Discover the first website that lets people smell home fragrances

Eric Rousseau created this Home Fragrance range by finding inspiration in his happy childhood in Provence, South of France. His grandfather Alex had a farm where flower scents used to fill the summer holiday mornings, while afternoons abounded with the sound of the warm Provence and the sweet and anticipated smell of the kitchen bakeries made by his grandmother, Simone.

Alex Simone aims to share Eric Rousseau holidays' souvenirs with its customer base. Each and every scent is a truly unique fragrance, either blended or pure. It is selected and refined by Eric Rousseau with his perfume partners in Grasse, in the South of France. It is a great feeling to know the clients, their family and friends will be spirited the same way Eric was with these timeless scents of happy moments, souvenirs and never fading smells.

Everyone at Alex Simone is so sure people will love the discreet, yet powerful Coconut water, the enchanting Litchi Raspberry, or the heart filling Chocolate Orangette and many more luxurious fragrances, that everyone is offered to try these true doors to your sweetest souvenirs.

Anyone, from anywhere, can simply browse the Alex Simone website and select up the 7 scents [\[http://shop.alex-simone.com/pages/free-scents-discovery-kit\]](http://shop.alex-simone.com/pages/free-scents-discovery-kit) and get the fragrance testers delivered at home (or anywhere else) for free, in a beautiful discovery pack.

Alex Simone discovery kit is an invitation to fall in love with rare fragrances. The company true luxury is to share with everyone pieces of happiness and lingering scents to fill their hearts and homes.

Alex Simone offers a large selection of fragrance ranges dedicated to homes. This is a chance for everyone to literally decorate his or her house with exclusive scents. In the main rooms reed diffusers and candles can be a great fit. In the bedrooms linen sprays and pillow sprays will make a difference with a real cozy atmosphere. Should one need a more versatile spray, the home fragrances spray will do for any home, kitchen or office.
