

RISING COUNTRY MUSIC STAR JESSICA LYNN JOINS H4HUS AS AMBASSADOR

JEFFERSON VALLEY, N.Y. (Oct. 7, 2014)—Country music’s fastest rising star, Jessica Lynn, is on her way to becoming a household name. And now she’s joining our team as an H4HUS Ambassador.

Fresh off a jam-packed summer tour, where she sang alongside country music legends like Brad Paisley, Lady Antebellum and Montgomery Gentry, Lynn still found time to star in her first full length television special, “This Much Fun – Live from the Winery at St. George” for PBS.

Lynn is a staunch advocate for animal welfare and causes surrounding our veterans, so pairing up with H4HUS and our dedication to equine and canine assisted therapies is a natural match.
