Teenshop empowers 'girls with goals'® to become caring, courageous leaders and change agents in their communities and beyond.

*"All of the workshops were beneficial, and even our free time was a workshop in itself. We had a lot of work to do with little time, so we had to use time management skills that we need in the future. It helped us get a lot done."*

*"The primary benefits I received from participating in the conference were the friendships I made, coming to terms with my career goal, learning about the college admissions process, and increasing my leadership and public speaking skills."*

## 7th Residential College Prep Summer Program Rising Senior Scholars Students nationwide may apply

JULY 12 – JULY 25, 2015

*Leaders • Scholars • Mentors*

BRYN MAWR COLLEGE  
101 N. Merion Avenue  
Bryn Mawr, Pennsylvania 19010

Dear Parents and Students,

On behalf of Teenshop, Inc., I'm pleased to share this information about a very special pre-college experience on the prestigious Bryn Mawr College campus in Montgomery County, PA.

Our College Prep Summer Program is a culturally-diverse initiative that helps prepare rising senior scholars for successful transition to college and life beyond, and instill a greater commitment to community service and academic excellence.

I created this program for Teenshop's rising senior scholars as one of the many benefits our organization offers to 'girls with goals'®. During the past few years we've included a few students who were not Teenshop members, and this year we're expanding the College Prep Summer Program to any eligible applicant nationwide.

Thank you for considering our program, and I personally look forward to greeting all participants.
