Britec Computer Systems an Official Supplier of 2015 Canada Winter Games

Sage 300 ERP business partner, Britec, demonstrates support for nation's athletes.

Calgary, Alberta—March 2, 2015—Britec Computer Systems Ltd, a premier provider of [Sage 300 ERP](#) (formerly Accpac) and [Sage BusinessVision Accounting](#) solutions and services, announced today that it an Official Supplier of the [2015 Canada Winter Games](#), being held February 13 through March 1, 2015. As an Official Supplier, Britec implemented Sage 300 ERP on a private cloud server for the 2015 Canada Winter Games.

The 2015 Canada Winter Games is the largest multi-sport and cultural event to ever be held in Prince George and northern British Columbia and is forecasted to generate an economic impact of over \$90 million while building champions and inspiring dreams amongst Canadian youth. Athletes from 10 provinces and three territories are competing in 19 sports with the dream of becoming Canada's next champions.

"We are proud to support the 2015 Canada Games," says Roger Katarey, president of Britec Computer Systems. "Our corporate mission is to help businesses succeed and reach their goals, and through our support of the 2015 Canada Winter Games, we're helping the nation's athletes succeed and reach their goals."

###
