> SYNOPSIS

Every moment that you are sleeping is a potential opportunity for God to be speaking directly to you!

By using the *Dream Journal*, you'll receive daily inspirational quotes from Bill and Beni Johnson, Danny Silk, and other leaders of Bethel Church, encouraging you to discover how to hear God's voice and live a supernatural lifestyle.

- "Intimacy is the main purpose of prayer. And it's through relationship that God entrusts to us the secrets of His heart, that we might express them in prayer." – **Bill Johnson**
- "We found that, once we experienced the depth of His love, we desired nothing on earth more than to be in the presence of our heavenly Father." – **Beni Johnson**
- "The supernatural is being restored once again to the Church. Signs, wonders, healings, and prophecy are becoming consistently demonstrated—not just in crusades, but in everyday life both inside and outside the church walls." – **Banning Liebscher**

You will also rediscover the lost art of writing down your dreams. Keep this journal by your bed at night, with the expectation that God desires to communicate with you while you sleep.
