The latest addition to Hodo Soy's line of delicious tasting prepared foods is the gloriously sumptuous **Hodo Tofu Veggie Burger**.

Hodo Tofu Veggie Burgers are flavorful, juicy and 'meaty' tofu patties studded with a mirepoix of carrots, onions and cabbage. Unlike most other veggie burgers, ours is free of soy protein isolates and fillers - we simply use our whole bean, organic, non-GMO tofu as a base. We grind our signature firm tofu, fold in fresh cut vegetables, and season it with umami-rich, ground shiitake mushroom. Wholesome, and awesome, these fully-cooked hearty vegan burgers will tempt even the most serious of carnivores. And here's the beef on our vegan burger - each serving of the Tofu Veggie Burger is a whopping 40% of your daily protein needs and rivals any traditional quarter pounders in the protein department.

Hodo Tofu Veggie Burger is a refreshing entry into the world of plant-based burgers and continues the Hodo Soy tradition of superior taste and nutrition. Available in food service and retail packs.
