WHY BUY AN LMS WITHOUT CONTENT?

eLearning content is what fuels your learning strategy. So why should you have to purchase an LMS without any content to deliver?

To help you get going with eLearning, **we've enhanced the eSSential LMS with an unparalleled eLearning Solutions package - eSSential + PLUS - FREE for qualifying new clients.**

TRAINING DELIVERY HAS NEVER BEEN EASIER

eSSential + PLUS gives you everything you need to improve performance and productivity with eLearning.

eLearning Course Bundle

- Over 120 innovative eLearning courses
- Mobile-optimized & "bite-sized" courses included
- Topics range from "soft skill" development to compliance-ready material and more

Custom Course Development

- Custom developed course up to one hour in length
- Subject determined by the client
- Course will be fully compatible with eSSential LMS for ease of delivery, tracking and reporting

Claro Authoring Software

- Create, edit and deliver courses right in the LMS
- Use ready-made eLearning & mLearning templates
- Easily collaborate, share resources, and control versions in the cloud
