ABOUT BWF

The Bob Woodruff Foundation is the national nonprofit dedicated to ensuring post-9/11 injured service members, veterans and their families are thriving long after they return home.

OUR STANDARDS

We hold the Independent Charities of America Seal of Excellence, signifying the highest standards of accountability and effectiveness. Fewer than 5% of U.S. charities meet these high standards.

OUR REACH

Our mission unites leaders from business, government, entertainment and philanthropy.

Our High Impact Collaboration Series brings together leaders from the public and private sectors to discuss the issues and break down barriers that can prevent injured service members from thriving.

OUR HISTORY

The Bob Woodruff Foundation was co-founded in 2006 by award-winning ABC Television anchor Bob Woodruff and his family after he sustained serious injuries while covering the Iraq war. Their own experiences inspired them to help make sure our nation's heroes have access to the high level of support and resources they deserve, for as long as they need it.

Stand Up for Heroes – our annual evening of hope, healing and laughter, produced in partnership with the New York Comedy Festival – features entertainment icons like Bruce Springsteen, Jim Gaffigan and Jon Stewart while raising much-needed funds for injured heroes.
