

The Largest Egg Hunt In the World

Blue Heart International is hosting the world's largest egg hunt on April 4 with support from Title Sponsor Bonney Plumbing Heating & Air, and you're invited to help break the Guinness World Record. With more than 500,000 eggs hidden around the California State Capitol, we're about to make history and have fun in the process.

Aside from participating in a world record, visitors will get their photos taken with the Easter Bunny, enjoy face painting and bounce houses, and feast on snacks from local food trucks. It's a family affair you won't want to miss.

Entrance is free, but those who purchase VIP tickets get extra treats, while also giving to a good cause. Blue Heart International works to rescue girls who are victims of sex trafficking, and provide them a new start through shelter, jobs, safety, and love. With a modest entry fee, VIP egg hunt guests can help Blue Heart fulfill this mission. The VIP Golden Egg Hunt costs \$20 and includes special prizes and rewards. VIP participants will receive a free sandwich voucher from Chick-fil-A of Arden Fair, as well as free access to face painting, bounce houses, and other entertainment. VIPs can also hunt for exclusive prizes, like hundreds of gift cards to local shops and restaurants.

Blue Heart International is proud to host this event with Bonney Plumbing Heating & Air, as well as sponsors SIG Athletic Tape, Sierra Oak Insurance Services Inc., Walmart, Blanket Marketing Group, and Aitchison & Adams.

Join us on April 4 from 9:00am to 1:00pm at the California State Capitol for the World's Largest Egg Hunt!

Visit Blue Heart International for more details, and to purchase your VIP tickets today.
