

SMI presents its Global Lyophilisation series for 2015

Lyophilisation & Freeze Drying USA

29th & 30th April 2015 | [Download Brochure](#)

Renaissance Woodbridge Hotel, Iselin, New Jersey, USA

Sponsored by Ellab Inc, EnWave Corporation, iQ Mobil, Millrock Technology, One 2 One Hospira, SP Scientific

www.lyophilisation-usa.com

With the American region dominating the market for lyophilised pharmaceutical products, SMI's 3rd conference in the successful Lyophilisation series, **Lyophilisation & Freeze Drying USA**, comes at the perfect time and place on 29th & 30th April 2015 to Iselin, New Jersey, USA.

Lyophilisation USA will strengthen knowledge of key issues in freeze drying as well as looking at lyophilisation as a whole to optimise process efficiency. Understanding the application of quality by design and the implementation of PAT will be a major focus, as will hearing about technological advancements and strategy from a selection of leading pharmaceutical organisations and industry KOLS.

FEATURED SPEAKERS INCLUDE: MedImmune, Merck & Co. Inc, Bristol-Myers Squibb, Genzyme, Novo Nordisk, A/S, Denmark, Genentech Inc, Patheon Pharmaceuticals Inc. PLUS MANY MORE...

Lyophilisation Europe

29th & 30th June 2015 | [Download Brochure](#)

Holiday Inn Regents Park Hotel, London, UK

www.lyophilisationconference.com

Spurred by the growth of the new drugs, the lyophilisation market is projected to reach \$5,121.5 million by 2019. With the rising risk of contamination and the need for improved formulation methods of biological products, robust capabilities in lyophilisation and freeze drying methods have become critical for prolonging drug life span whilst maintaining its functionality and preventing it from damage.

Innovation and efficiency is requested at every level making **Lyophilisation Europe** event the perfect platform to strengthen knowledge in principles such as PAT and QbD, as well as keeping you at the forefront of technological breakthroughs to adapt to a competitive growing industry.

FEATURED SPEAKERS INCLUDE: Takeda, GSK, Hovione, Boehringer-Ingelheim, Novo Nordisk A/S, Baxter Bioscience, UCB BioPharma PLUS MANY MORE...
