FOR IMMEDIATE RELEASE

CD Group to Help COLLABORATE15 Attendees "Make the Most of Every Minute" at Annual Oracle and JD Edwards User Group Conference and Expo, April 12-16

*CD Group to provide best-practices on the latest technology
and tools via 10 educational sessions, trade show booth and social media*

April 7, 2015 (Atlanta, GA) – CD Group Inc., a national IT consulting firm that has been a leader in the Oracle and JD Edwards space for over 20 years, is poised to deliver more value than ever to attendees at this year's COLLABORATE15 conference and Expo, to be held at Mandalay Bay in Las Vegas, April 12-16. CD Group will be presenting two pre-conference sessions and eight conference sessions, and will host a knowledge-based "Winners Wheel" game at Booth #441. Attendees and non-attendees alike can stay connected with CD Group during and after COLLABORATE15 by following on Twitter (@CDGroupInc), Facebook and LinkedIn.

"At a conference the size and scope of COLLABORATE15, attendees want to ensure their time is well spent," CD Group Vice President Don Landrum said. "We have designed our sessions and our booth activities around the most current topics and highest value content to Oracle and JD Edwards customers, so they can truly make the most of every minute they spend with CD Group."

Oracle's JD Edwards users attending COLLABORATE15 will learn about how to leverage Oracle and JD Edwards more effectively through the use of CD Group's latest software and service offerings such as i-ON, E1 Page Studio and Equip IQ. They will also learn best practices for business intelligence, migrating from JD Edwards World to JD Edwards EnterpriseOne, and how to make the most of the newest JD Edwards functionality available, such as CafeOne.

CD Group's conference sessions will be:

- Sunday, April 12 – two pre-conference sessions, presented with iLearn, on JD Edwards EnterpriseOne CNC and Expense Management

- Monday, April 13 - "E1 Portal Solutions - How to Expand Your JDE Reach"

- Tuesday, April 14 - "Pages Made Easy with CD Group's EnterpriseOne Page Studio," "Service Management with an Easy to Use Wrapper," What's So Big About Big Data?" and "Proactively Monitoring JD Edwards EnterpriseOne: A Customer's Experience & Expectations"
- Wednesday, April 15 - "Migrate or Upgrade - How To Answer That Burning Question," "All About CafeOne - A Complete Deep Dive" and "Rental Management for the Real World."
