Social Security Advisors

Social Security AdvisorsSM is an innovative financial and technology company with a single mission:

To help Americans maximize their Social Security benefits.

On average, retirees leave \$120,000/couple of hard-earned Social Security benefits on the table due to a lack of quality, customized Social Security advice. We deliver expert knowledge to increase clients' Social Security benefits and simplify the complex claiming choices that retirees face. Clients receive a Maximum Social Security StrategySM customized for them, explaining exactly *when and how to file for Social Security to maximize their benefits, plus expert advice and recommendations from their dedicated Social Security Advisor.*

THE FACTS

There are 2,728 rules governing Social Security

70% of Americans don't maximize their Social Security benefits, costing them \$120K on avg/couple

There are 9,200 ways to claim Social Security

Most Financial Advisors do not know filing strategies for Social Security

\$25B

Due to lack of filing strategy, Americans fail to claim \$25 Billion a year

73% of Americans are unaware there are strategies to maximize returns for Social Security

Social Security Administration is legally prohibited from providing advice on filing strategies
