

Call For Papers: Nagios World Conference 2015 Speaker Applications Now Available

SAINT PAUL, MN (PRWEB) – Nagios Enterprises has just announced that the [2015 Nagios World Conference](#) will take place September 28th- 30th, 2015 in Saint Paul, Minnesota. Presentation proposals are now being accepted and IT professionals, Nagios community members, and industry experts are invited to submit their abstracts for consideration.

Call for papers for the conference is now open and IT professionals, Nagios Community members, and industry thought leaders are encouraged to submit their proposals. The deadline for speaker applications is May 15th and applications can be found on the conference website <http://conference.nagios.com/#speakers>.

“We are excited to announce the official dates for this year’s conference,” said Alex Syse, Marketing Specialist at Nagios Enterprises. “Last year’s conference was a huge success, and we cannot wait to provide another spectacular event for thought leaders and Nagios users to connect in such a collaborative atmosphere.”

The [Nagios World Conference](#) brings Nagios users from around the world together to exchange best practices and share their real-world use cases with the rest of the community. With numerous presentation sessions and networking events, the Nagios World Conference provides attendees with the knowledge necessary to succeed in their IT environments and adds value to their organizations. With the success of four conferences as their foundation, the Nagios team is excited to continue the upward trend with Nagios World Conference 2015.
