

Website Give Away

Are you a registered charity or non-profit organization within the Alberta Capital Region? Could you benefit from a new website? Well then you're in luck!

To celebrate our ten year anniversary Box Clever is giving away a responsive website to a registered charity or non profit organization. The website will include full design and development, a logo refresh, content writing, hosting, and domain registration.

We have enjoyed a fabulous 10 years in this amazing city and want to give back to the community that has supported us throughout the years. We want to show our appreciation to all those who generously support great causes and work towards enriching the world around them.

If you are someone or know of someone who represents a charity or non-profit organization in the Edmonton area please visit www.boxclever.ca/giveaway before June 30, 2015 to enter.

About Box Clever

Box Clever is an award-winning digital media agency in Edmonton, Alberta. A company focused on building strong, lasting client relationships. Oh, and we build really great websites.

Starting as a collaboration between two brothers in 2005, Box Clever has since expanded both its systems and services to provide you with exactly what you need - easy to use websites you can love! We built our own content management system known as WebGuide to enable our clients to manage their own content on their own time. We take that cutting edge functionality and make it beautiful with the help of our talented team of designers and developers. Together we collaborate with you to craft something extraordinary designed to reflect our clients' goals.
