### **Ness Turf Equipment Introduces the Morbark Wood Hog 2600** *Compact Horizontal Grinder Helps Process Yard Waste*

---

**Kapolei, HI (May 7, 2015)** – Ness Turf Equipment, the premier distributor of ag and turf solutions in the Hawaiian Islands, adds the Morbark® Wood Hog 2600 to their extensive product line of Morbark equipment. The Morbark Wood Hog 2600 grinder is the ideal piece of equipment for processing yard waste, brush, and other mixed-wood feedstock. The compact, yet powerful Wood Hog 2600 machine is equipped with 325 horsepower that can easily transform waste into a saleable product.

Terence Yogi, Sales Representative, says, “The compact design of the Wood Hog 2600 ensures this piece of equipment can be transported easily for all of your on-the-go needs.” Yogi continues, “This horizontal grinder’s feed system is extremely low maintenance thanks to the internal planetary drive with no chains or sprockets.”

Leonard Smith, General Manager, adds, “An environmentally friendly, electric power model is also available to help you process organic waste cost-effectively. The Wood Hog 2600 is the best piece of equipment to ensure you can operate efficiently and grow your business.” Smith concludes, “The Wood Hog 2600 is yet another example of a high quality, durable and long-lasting industrial products from Morbark.
