

## EarthBend a Silver Sponsor of 2015 ShoreTel One Partner Conference

**SIoux FALLS, S.D., Apr. 29, 2015** — [EarthBend](#), a premier value-added distributor of business telecommunications and IT solutions, today announced that it will be serving as a Silver Sponsor of and exhibiting at the [2015 ShoreTel One Partner Conference](#). The event is being held April 29 through May 1, 2015 at the Gaylord Palms Resort & Convention Center in Orlando, Florida.

The ShoreTel One Partner Conference provides attendees with the opportunity to participate in networking and business development activities and gain insight from ShoreTel executive thought leadership. Through keynote speakers and breakout sessions, attendees learn from best practices, usage scenarios, customer stories, interviews and compelling partner testimonials. The entire event is focused on helping ShoreTel partners drive profitable growth for their business in 2015.

In addition to serving as a Silver Sponsor of the event, EarthBend will be exhibiting in booth 7 in the ShoreTel Innovation Center, which showcases over 40 of ShoreTel's top technology partners. Partners can learn more about technology offerings in the EarthBend distribution portfolio that enhance capabilities of the ShoreTel UC platform and can increase revenues and profit margins. EarthBend technology partners also exhibiting at the conference include ADTRAN, Extreme Networks, GFI Software, HP, Numonix, Plantronics and Xarios Technologies.

"EarthBend has excellent distribution partnerships with many of the technology vendors in the ShoreTel Innovation Network ecosystem," said Ryan Donovan, EarthBend's General Manager and VP of Sales and Service. "We are excited to be sponsoring the ShoreTel One Partner Conference and look forward to discussing with attendees the full range of technology solutions and support services EarthBend has to offer."

### **About EarthBend:**

EarthBend has been distributing telephony peripherals and IT solutions to a vast group of telecommunication resellers since 1993. In addition to its North American distribution footprint, EarthBend has been serving clients directly in the Midwest for 32 years. Today, EarthBend serves as an extension of its 3,000 plus customers, providing highly qualified engineers with key certifications from some of the largest voice, data and technology manufacturers in the industry. EarthBend's offerings are highly scalable, secure, easily managed and optimized to meet evolving customer needs, and with an extreme focus on delivering cost-effective solutions and best-in class customer satisfaction.
