

SUPPORTING BACKPACK DRIVES

GIVING BACK TOGETHER

At Sydney Paige®, our main goal is to help give underserved children the **tools and confidence they need to learn and thrive in school**.

And partnering with non-profits for their backpack and school supply drives is our **favorite way to do that!** Our focus is the same ... giving these kids quality backpacks (that will last the school year) and filling them with grade-appropriate school supplies.

We want children in need to start the school year off confident and ready to learn, not standing out as poor or being different than the other kids.

But we can't do this alone. We need to be **GIVING BACK TOGETHER®** by partnering with each other and with other organizations, sponsors and individuals to make the significant impact we all want to make.

PARTNERING WITH SYDNEY PAIGE®

Partnering with us is so easy! We provide all of the custom content and graphics for you . . . all you have to do is incorporate them into your website, social media posts, newsletters, etc. We'll even create artwork for flyers and posters for your drive for a cohesive look across all platforms if you'd like. The main point to take away is that we are here to help . . . we want your backpack drive to be a **HUGE SUCCESS** so that we can all maximize our impact on children in need in the communities in which we serve.

HOW IT WORKS

- 1) Guide your supporters to **www.sydneypaigeinc.com** to purchase backpacks, noting your organization when they add their product(s) to their cart.
- 2) Sydney Paige® will ship the products purchased to your supporters and set aside the matching products to be delivered to you in a bulk shipment at the end of your drive.
 - * supporters can also enter "DONATE" in the notes section and both the 'buy' and the 'give' products will go to you
- 3) Sydney Paige® will provide you with a weekly update on orders received.
- 4) At the end of your drive, Sydney Paige® will ship the accumulated products and associated school supplies to your location, or we can arrange for pick up in order to help minimize cost for SP.

Note: You can also collect donations from supporters and purchase our backpacks in bulk at 50% off SRP. In this case, you will receive 2 backpacks, one of which will be filled with school supplies.
