

Hosted PBX

Hosted White Label Solutions for VoIP Service Providers

Hosted PBX and Voice Mail solutions to Meet your Needs

Telinta's white label solution for Hosted PBX with Voice Mail has the features you need to win and retain enterprise customers. With Telinta, you can provide highly reliable business telephony services that your customers and resellers can rely on. This includes Telinta's Auto-Attendant, Class 5 features, IP Phone profiles to streamline provisioning and more.

TeliCore™ is our robust carrier-grade platform, integrating Telinta's cutting-edge VoIP solutions with world-class Switching and Billing capabilities from PortaSwitch. With Telinta's highly-customizable white label solutions, you and your resellers can offer a full range of services in addition to Hosted PBX, all under your own brand.

Cloud-based, rapid deployment, with no capital investment
