

## **ANNA D. GUANCHE, MD, FAAD**

**Dermatology,  
Laser &  
Aesthetic Surgery**

**A**t Bella Skin Institute, beauty expert Dr. Anna Guanche has assembled her dream “derm” team of professionals to tend the skin of celebrities, CEOs, and Supermoms. She is a board-certified dermatologist and dermatologic surgeon who specializes in procedures that have minimal down-time, such as Ultherapy for skin-tightening, Coolsculpting for fat reduction, Fraxel for resurfacing, and other techniques that address specific skin concerns and deliver excellent results.

“Beauty begins with skin,” says Dr. Guanche, who has cared for all types of skin conditions, focusing on cosmetic dermatology and laser surgery for more than a decade. A dermatology staff member at UCLA Medical Center and clinical instructor at UCLA’s David Geffen School of Medicine, she keeps up with advanced technologies and uses minimally invasive procedures whenever possible.

Dr. Guanche strives to understand her patients’ individual goals and concerns and to ensure that their visits are as pleasant and painless as possible. She and her staff are dedicated to providing not only a good experience but also results that help make beauty last.
