

SMART AGENTS

know that **listings with a video** receive
403% more inquiries than those without.

**Your listing deserves
more than a simple
slide show video.**

Give your listing an engaging video story that will capture the interest of online buyers. With Obēo's specialized story builder tool, and a professional producer, we'll create a compelling custom script specific to your listing. Additionally, each Photomotion video is hand crafted with custom motion graphics and professional narration. **\$129.95**
