

SMART AGENTS

know that listings with a video receive
403% more inquiries than those without.

**More than a simple
walk-through video**

Each engaging video includes a custom
crafted storyline, stunning motion graphics,
and captivating narration.

»»» Obēo Professional Videography

Browse through our six captivating video options below.
View actual samples at www.obeo.com/video.

Obeco offers professional video products designed for listings of every price point, from starter homes to luxurious mansions. Each video is produced to be engaging and tell a story that will capture the interest of online buyers.

»»» Photomotion Reel

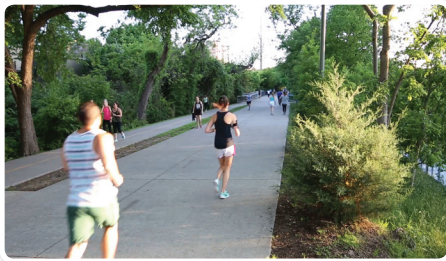

Your listing deserves more than just a video slide show! Give your listing an engaging video story that will capture the interest of online buyers. The Photomotion Reel is a custom narrated video using still images, music and motion graphics.

»»» Home Story Reel

The Home Story Reel is an engaging full motion walk-through HD video tour with a custom crafted storyline, captivating narration and beautiful motion graphics. The home story reel is about 2 minutes long on average and includes an on-site video director.

»»» Luxury Story Reel

When only the best will do! The Luxury Story Reel is a theater quality motion picture for your listing, featuring the best videography talent and production equipment in the industry. Options include a professional video host, on camera interviews and aerial video.

»»» Community Story Reel

Want to be the expert for a specific community? Capture a community's best features through a professionally crafted full motion HD video, with a custom crafted storyline, engaging narration and beautiful motion graphics.

»»» Broker Story Reel

What is the story of your brokerage? Work with our professional video production team to create a unique and engaging video for your company. Together we'll create a video that will make recruiting top talent in your market easy!

»»» Agent Story Reel

What's your story? Let us help you tell the story of your Real Estate business, and why you love doing what you do! We'll work with you to create a custom video story that will help you capture the hearts of online consumers.
