

Agile Leadership Academy™

Create & lead an agile organization as a **Certified Agile Executive™**.

Want to grow into one of the world's best agile leaders? Join an elite group of your peers on a shared journey to leadership agility.

Four quarterly, one-day sessions:

* Foundations of **Lean & Agile Leadership**
What is an agile organization and what does it take to lead the cultural shift?

* **Scaling Agility**
How do I scale and deepen practices to achieve organizational agility?

* Lean **Product Management & Design**
How do I apply methods like the Lean Startup and UX to build awesome products?

* Agile **Engineering & Operations**
How can an agile infrastructure & DevOps capabilities drive speed & quality?

The Agile Leadership Academy will be led by **Sanjiv Augustine & Arlen Bankston.**

Only 20 slots available for the first round, so act soon!
