FINEST MATERIALS

We use the very best materials that we can find. Our handbags and accessories are always made from 100% genuine leather. Our hardware is of the highest quality and nickel free.

MADE TO LAST

They may be luxurious, but our bags are designed to be enjoyed every day. Quality is our highest priority and our handbags are built to last.

VERSATILITY + FASHION

We believe that your handbag should be more than just arm candy. Our products don't just look fabulous, they also adapt and keep pace with our customer's busy lifestyle.

AFFORDABLE LUXURY

We believe in designer-quality products without the designer price tag. More than anything else, we promise that our products will add value to our customers and that the investment they make in us will always be worth it.

ATTENTION TO DETAIL

We are obsessive about detail. From stylish looks to practical features and luxurious packaging, we are always looking for ways to ensure our products are special.

DON'T JUST TAKE OUR WORD FOR IT...

"I love to share the bag's secrets - like taking the shoulder strap off to have a clutch or snapping out the mini wallet." - Andrea, Vancouver BC

"I love my BEVÉE bag. It is perfect for traveling as I can wear it as a crossover on the plane and not have to stow it." - Debra, Bellevue, WA

"The small bag that gets my busy lifestyle AND love of fashion. It's a lifesaver!" - Chelsea Los Angeles, CA

"The only wallet I'll ever need... the right amount of card slots, pockets, and zippered pouches. The pop-out mini wallet is ideal when swapping to an evening bag. The rear pocket fits an iPhone perfectly." - Hitha, New York, NY
