Darrin Pyatt Joins TruShield Security Solutions Growing Managed Security Services Practice

*TruShield's Latest Hire Brings About Best-In-Class Fortune 500 Level Practices
As Company Continues To Scale*

Dulles, VA (May 19, 2015): TruShield Security Solutions, Inc. is proud to announce the addition of Darrin Pyatt to its Security Operations Team as the new Director of Managed Security Services. Mr. Pyatt brings with him a wealth of experience having previously worked in cybersecurity management roles both at British Telecom and Hewlett-Packard.

"Darrin brings many strengths to the table, including strong leadership and team building skills, as well as top-tier knowledge of security and practical implementation of managed services solutions" says Paul Caiazzo, TruShield's Chief Security Architect. "I'm very excited about him joining our team and I'm looking forward to his unique insights helping us continue to enhance and expand our managed services offerings."

Mr. Pyatt's previous accomplishments are most notably in the following areas of:

- Executive Leadership
- Process Improvement
- Project Management
- Product Development
- Brand Marketing
- IT Operations Management
- Key Relationship Building
- Global Risk Management
- Information Security
- Engineer Staff Supervision
- Revenue / Sales Growth
- Customer Retention
- Team Building/Leadership
- Strategic Business Planning
- P&L Accountability
- Budgeting / Forecasting
