

**DR. GAIL N. JACKSON
LEADING SPECIALIST IN HOLISTIC BIO-IDENTICAL
HORMONE BALANCING FOR WOMEN
ELIMINATING THE EFFECTS OF MENOPAUSE**

Dr. Jackson is committed to transforming the lives of women... breaking down the myth of aging to engaging.

Dr. Jackson has helped thousands of women restore their beauty, health, and hope. She is dedicated to the rejuvenation of women... in mind, body and spirit allowing them to reclaim their passion.

Bio-identical Hormone Replacement Therapy For Women corrects imbalances in the body. This therapy is a natural relief from depression, anxiety, hot flashes and night sweats. A balanced woman also experiences weight loss and an increased desire for sex. The hormones are derived from a natural plant source of yam and are formulated to be biologically identical to the human form of estradiol and testosterone.

Dr. Jackson specializes in bio-identical hormones balancing in the form of worry-free soft PELLETS. These small inserts are time released over a six month period with immediate symptom relief. They are placed painlessly underneath the skin and offer relief of the symptoms related to menopause... free of increased cancer risk.

They are safe and natural.

Dr. Gail Jackson is Board Certified by the American Board of Obstetrics and Gynecology and is on staff at the Cedars-Sinai medical center. She has done extensive research in the area of bio-identical hormone balancing and holistic medicine. Her phenomenal success in hormone balancing has allowed her to transition her practice and focus exclusively on keeping 40 to 65 year old women phenomenally fabulous.
