LAKE FOREST, Calif. (June 9, 2015) – In its continued effort to provide the highest-quality cigars to its members, [The Premium Cigar of the Month Club™](#), an online, subscription-based cigar club featuring world-class cigars, announces it will be supplying the near-exclusive Man O' War Dark Aged Maduro from world-famous tobacconist Abdel "AJ" Fernandez.

"We're pretty excited to offer just about anything that AJ Fernandez produces, but to get our hands on this virtually exclusive run of what AJ considers his best work was nothing short of lucky," says Kris Calef, President and founder of MonthlyClubs.com® and The Premium Cigar of the Month Club™. "We wanted to line up something really special for all of the dads getting their first shipment this month. Father's Day is always our best holiday right after Christmas."

Hand-crafted by AJ Fernandez and his staff at the Tabacalera Fernandez in Esteli, Nicaragua, the Man O' War Dark Aged Maduro toro cigar consists of a blend of high-quality Nicaraguan Esteli and Ometepe, Honduran Jamastran, and Pennsylvania Broadleaves, which is secured by a Nicaraguan Habano binder and completed with an Ecuadorian Sun Grown wrapper.

The Man O' War line is touted as AJ Fernandez's best creation by the man himself. The limited-production Man O' War Dark Aged Maduro will not be released on a large scale and will be available only to a very small number of high-end cigar shops across the U.S. and to members of The Premium Cigar of the Month Club.
