Communications Integrators, Inc. (Cii) Appoints RJ Jones as Regional Sales Manager

Tempe, Ariz. (June 15, 2015) – [Communications Integrators, Inc. \(Cii\)](#), North America’s leader in the design and manufacturing of [modular power, voice and data solutions](#), announced today it has expanded its sales force with the addition of RJ Jones. Jones brings more than two decades of industry experience and will be responsible for managing the Northwest region of the U.S. and Western Canada

“RJ is an accomplished executive with an extensive background in data center infrastructure, modular power and LAN solutions,” said Jon Dumbauld, president of Cii. “Our client portfolio is growing rapidly, and a regional resource with RJ’s experience will ensure our customers continue to receive exceptional service.”

Jones entered the telecom industry in 1985. Prior to joining Cii, he spent 13 years as a senior sales engineer for TE Connectivity where he designed sustainable networks enabling clients to earn LEED credits. A subject matter expert in telecom and modular power, Jones has an impressive success record with Fortune 500 companies, government agencies, casinos and more. Before TE Connectivity, Jones held management, sales and purchasing positions within the industry.

“Cii’s modular solutions provide a tremendous opportunity for businesses to reduce CapEx and OpEx costs,” said Jones. “Aside from the reusable nature of Cii’s products, I was immediately impressed with Cii’s manufacturing capabilities, commitment to sustainability and quality control. I look forward to working with this talented group of professionals to move the business forward.”

Jones cites Cii’s dynamic family atmosphere and technical expertise as additional factors in his decision to join the manufacturer. “Having a rapid route to company directors who are passionate about customer service makes for smooth and successful project.”

Away from the office Jones can be found knee deep in the waters with a fishing rod in hand. He is a 25 year member of the CA Federation of Fly Fishers, Advisory Member for the Washington Lake Fishing Club and a proud Boise State Alum. Jones can be reached at rj@ciinet.com.

About Cii

Since 1988, Communications Integrators, Inc. (Cii) has pioneered electrical solutions, leading the market in modular power, voice, and data systems designed to keep the workplace dynamic and ready for change. Cii’s (G-LINK) connectivity panels enrich the in-room experience for hotel guests by providing an auto-sensing, plug-and-play environment for today’s popular technology devices. For information, call 800-679-9711 or visit www.ciinet.com.
