Standing Work Seating – Reimagined.

Ergonomic Innovation Teams with Industrial Design to Keep Workers Fresh and Comfortable.

The Fin sit-stand is a revolutionary solution to age-old issues associated with prolonged standing in the workplace or anyplace where sitting down on the job is not an option. Unlike traditional sit-stands, Fin combines an edgy look and proven durability with intuitive functionality developed for today's worker – and today's workplace. It features a wide, swiveling seat perched on a sturdy base inclined at 4 degrees, promoting good working posture and allowing users to redistribute their weight – taking up to 60% of the stress off the legs and feet.

A Sit-Stand That Adapts to the Worker.

Fin is part of the bimos by BioFit Collection, a joint endeavor between two of the world's leading ergonomic seating manufacturers – bimos and BioFit. It was developed for work environments in the following markets and beyond:

- ▶ Laboratory
- ▶ Healthcare
- ▶ Industrial
- ▶ Education
- ▶ Retail
- ▶ Hospitality
