

## FOR IMMEDIATE RELEASE

### RocketShip: Operation Animal Rescue Crate Launches On App Stores

*An Interactive Storybook App for Apple and Android devices.*

June 14<sup>th</sup>, 2015 – London (UK)

RocketShip is an out-of-this world children's sci-fi adventure featuring a little red rocket ship called Red. Red along with his best friends Rex and Holli travel the universe in search of people to save and help. Together the team known as the "Rocket Rangers" journey across many adventures and Red learns what it takes to be a true hero and a friend.

Boys and Girls 3 and up will love this full colour interactive storybook, packed with beautiful 3D Illustrations, animations, games, audio and narration.

**Operation Animal Rescue Crate** is the first story to be released in the series of apps and books. This adventure has a cosmic twist seeing the head of the "Rocket Rangers" OMNI sending our hero Red on a special mission to rescue the animals on earth and transporting them using the Animal Rescue Crates to a new planet.

### Special App Features

- Interactive book controls
- Three fun and exciting mini games
- Find hidden objects
- Original and exciting story
- Full Narration and SFX
- Read to Me feature

RocketShips development team has created a reading experience for children that merges traditional book based storytelling and engages children on many levels: whether listening to the narration, touching the screen and operating the holographic interface, reading the words and thinking about the actions our heroes take within the story.

## Pricing and Availability

RocketShip: Operation Animal Rescue Crate is available on Amazon and the Apple App store for just £5.99.

The app has been designed to be fun and easy to use whilst immersing children into the story and characters. The RocketShip app was designed and produced by Take1 Films Interactive Studios in London, UK a leading interactive and motion graphics design company. RocketShip Operation Animal Rescue Crate is a child-safe app.
