

## FIND AND CREATE NEW FIELDS

League For Lacrosse is the only lacrosse app that helps lax players find nearby fields to play and compete. And it allows players to continue to build the network of field locations for other players to discover.

### 1 FIELDS MAP

League For Lacrosse lets you scan the map for fields in your area. Nothing keeps you on your toes like going to a new field and making a name for yourself. New fields are being added daily by competitive League members like you!

### 2 CREATE A NEW FIELD

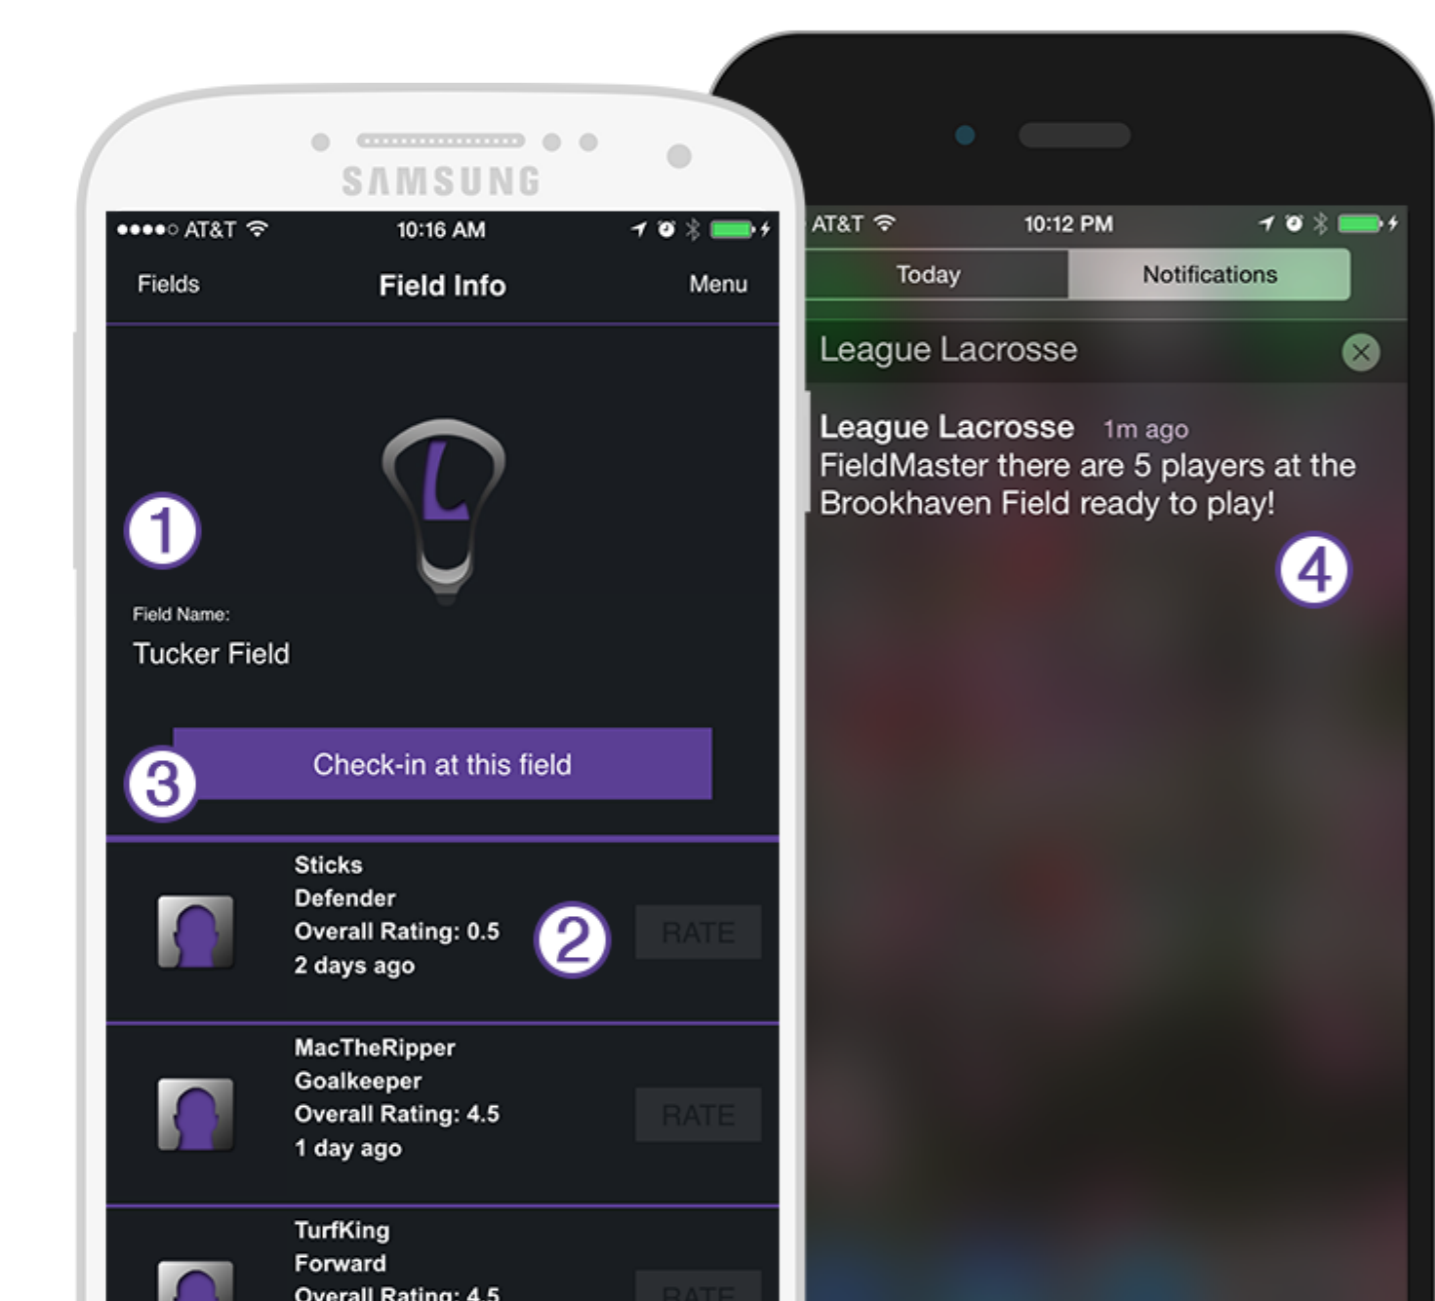

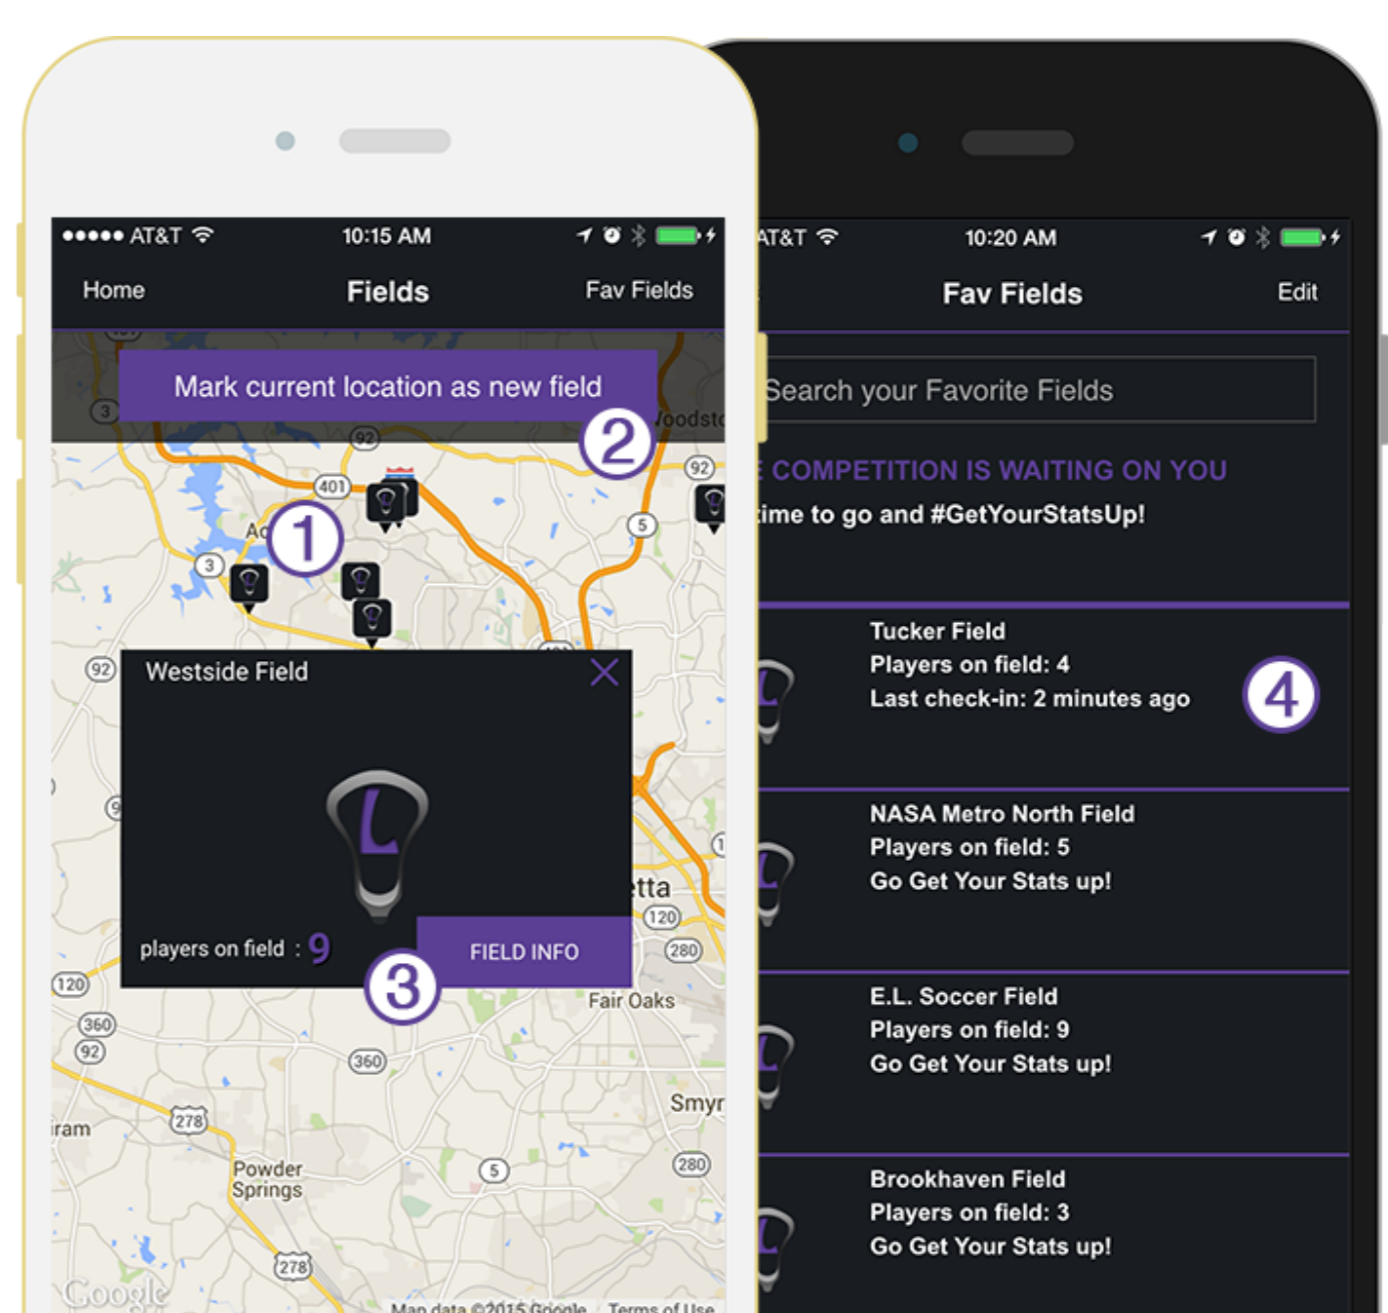

If you are at your favorite spot to play lacrosse and it is not already on the map, then tap the "Mark current location as new field" button while you are there to mark your territory on the fields map. Now other League members can discover a new field to compete at.

### 3 FIELD MAP MARKERS

Tap on any field marker on the map to see how many players are on that field in REAL-TIME! And to see other detailed information about that field by tapping the "FIELD INFO" button. Never miss the next pick-up game again.

### 4 FAVORITE FIELDS

League For Lacrosse members can add and remove any field on the map to their "Fav Fields" list. This feature gives you a quick snap shot of the number of players on your fields (without scanning the map marker) and the last time to you showed up to play. If it's been awhile, you might want to pay the competition a visit.

## REAL-TIME RATINGS

Never guess how the competition REALLY feels about your skills. League For Lacrosse is the only lacrosse app where you can rate and be rated by other members on the five fundamental skills of the game. And receive REAL-TIME notifications when other League For Lacrosse members rate your game. Tap the "Rate" button next to any members name to rate them.

### 1 PLAYER INFORMATION

The rate screen shows an image of the current player you are about to rate. As well as the last rating that you have posted for that player.

### 2 THE FUNDAMENTALS

on the five fundamental skills of lacrosses: Shooting, Passing, Catching, Ground Ball, and Defense.

### 3 RATE THE COMPETITION

After you've dialed in the numbers for a players skills tap the "Update Rating" button.

### 4 RATING NOTIFICATIONS

As your ratings go up or down, receive instant updates on how other League members are rating your game. So always bring your "A" game to the fields.

## CHECK-IN AT NEARBY FIELDS

Checking into the fields around you is what League For Lacrosse is all about! The more fields you check into the bigger your League becomes and the number of players that you are connected to.

### 1 FIELD INFORMATION

The Field Info screen shows an image of the currently selected field, along with the name of the field.

### 2 LIVE PLAYERS LIST

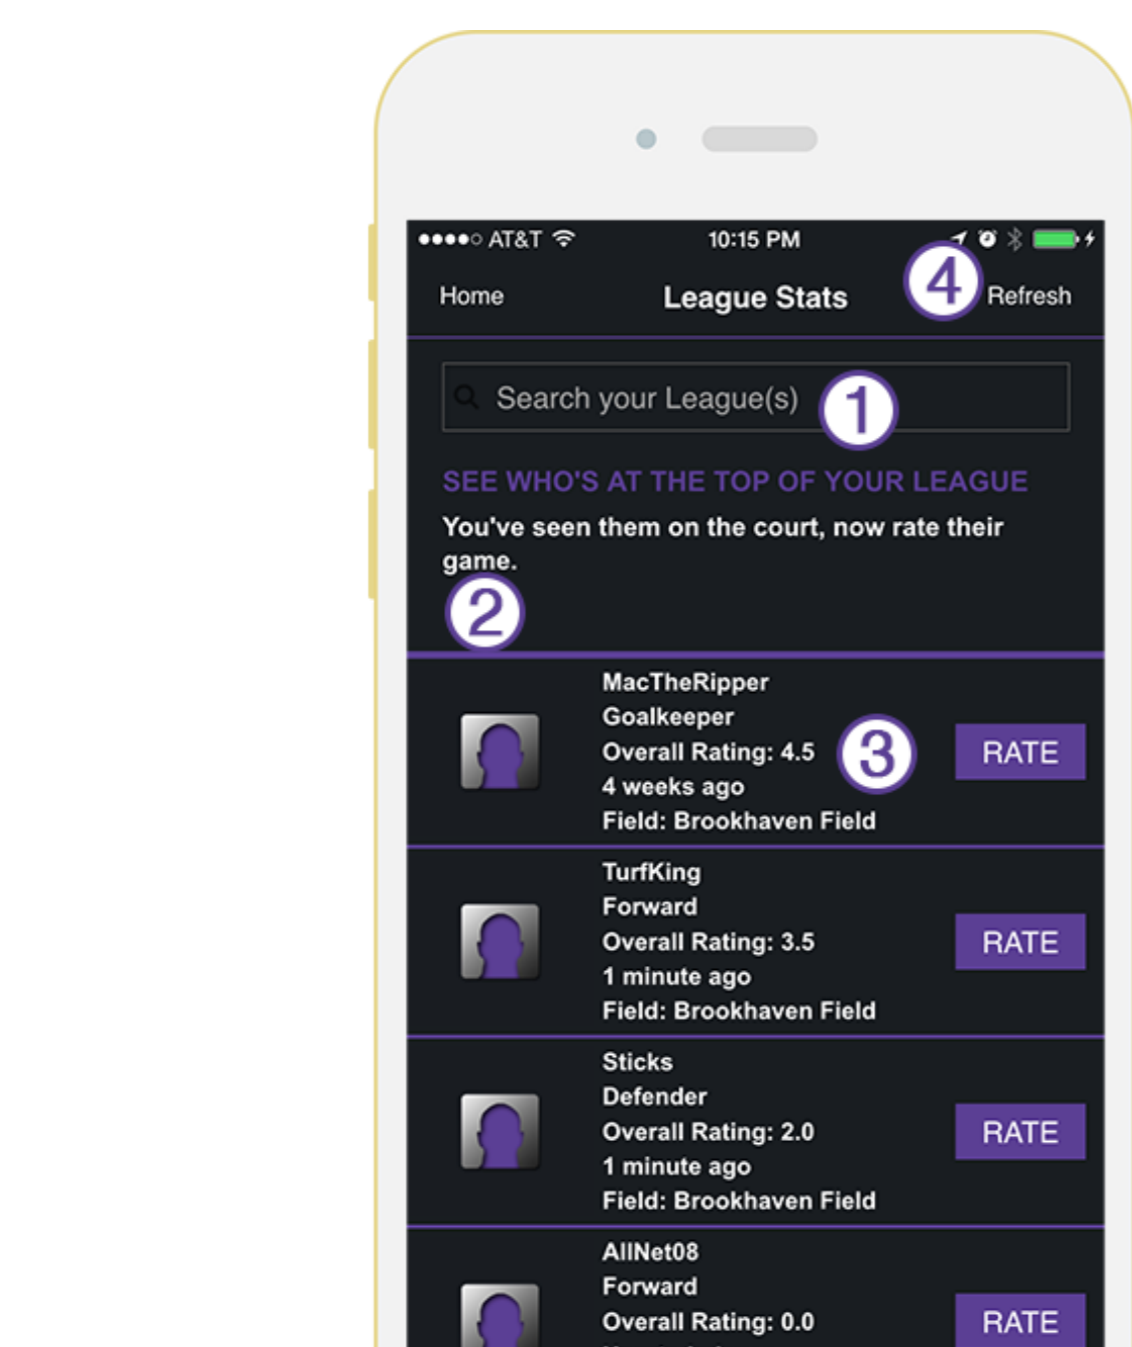

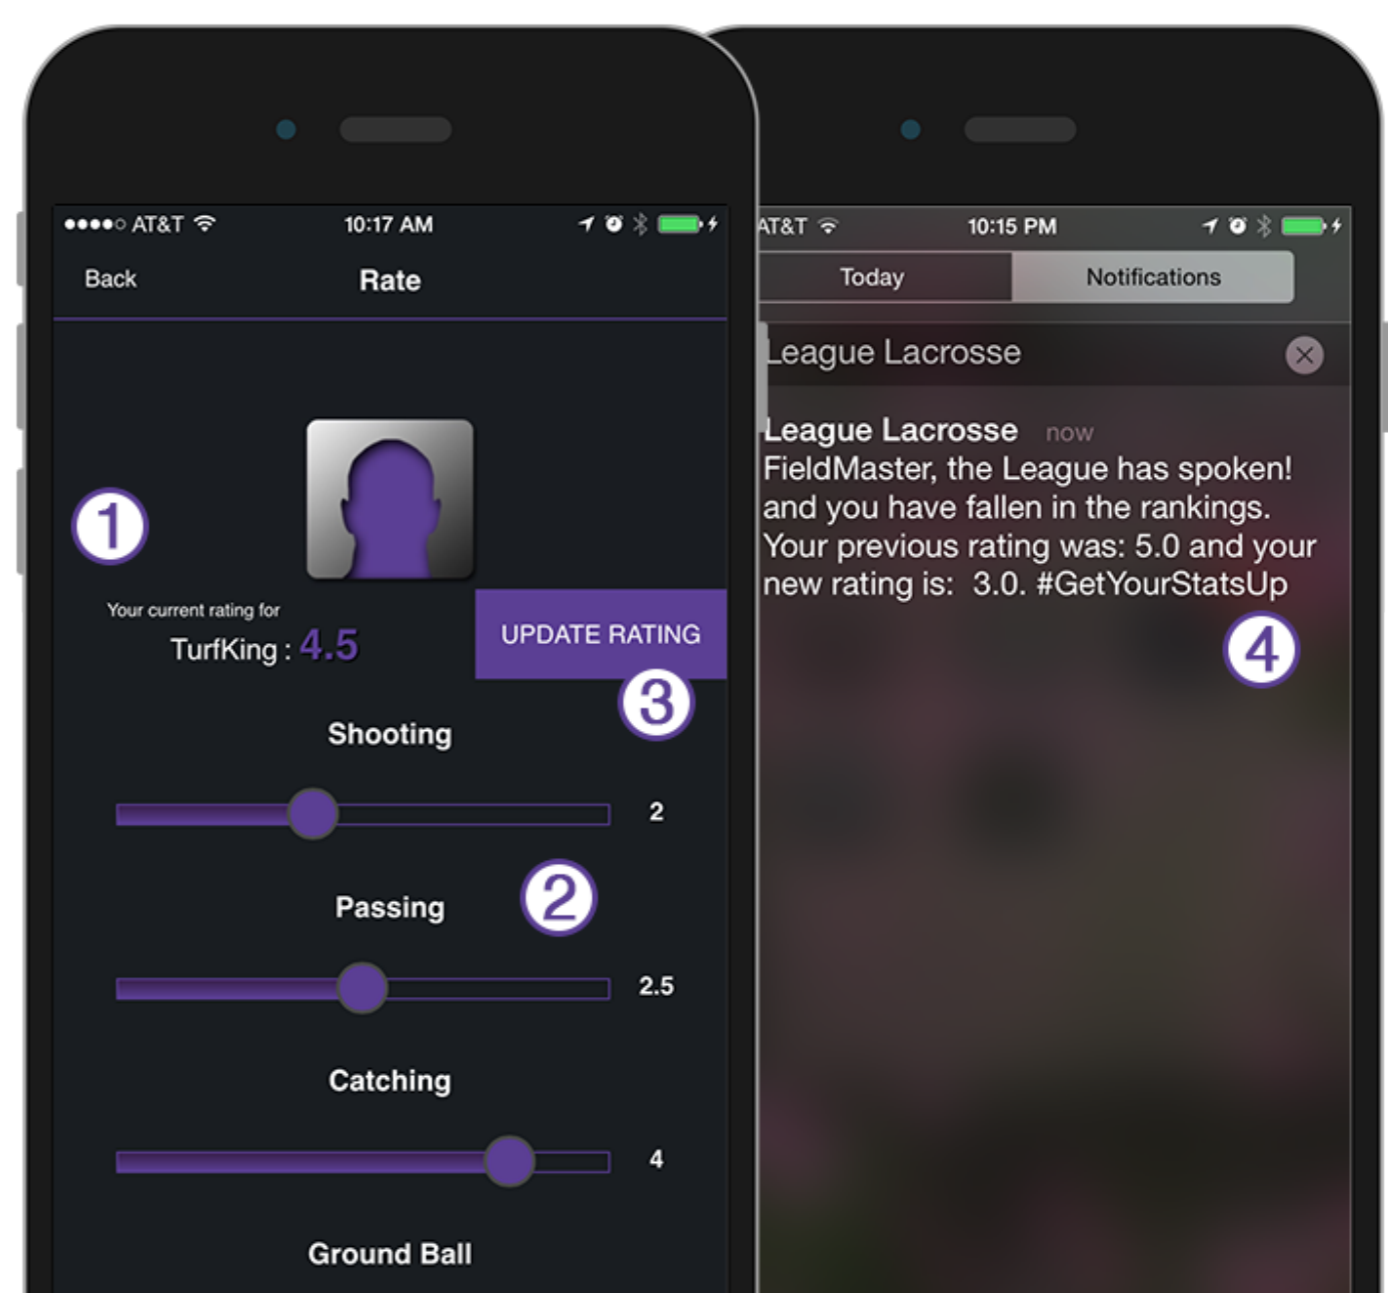

The Field Info screen also gives a list of all the League members that are currently checked-in on that field. Once you check-in, other members will see you on the list, and then the rating can began!

### 3 CHECK-IN

When you are at any field location tap the "Check-in at this field" button to let the competition know that you are there! By checking-in you let other members who are scanning the map know how many players are at that field ready to play. So don't just sit there let em know the field's not empty.

### 4 FIELD NOTIFICATIONS

When League members begin to check-in at fields, you can receive notifications when a set number of competitors have arrived at your favorite field(s). You can adjust notification settings within the League For Lacrosse settings.

## THE BEST OF THE BEST

The League Stats screen gives you a breakdown of the top competitors within your League. You've seen them on the fields and rated their game, now see how the rest of the League rates their game.

### 1 SEARCH YOUR LEAGUE

Quickly filter through your League and search for members by field, name, etc.

### 2 LEAGUE LIST

The League list is comprised of all the players that you share a field with and have competed at.

### 3 PLAYER INFORMATION

Within the League list you get a breakdown of each members username, position they play, their overall League rating, the last time they were rated, and their "home" field.

### 4 STAY UP TO DATE

Tap the refresh button to make sure you have the latest League rankings.

## BRAGGING RIGHTS

As competitive lacrosse players, we've all done this before. We compare our game to one another and debate on who's the best among us. Now it's time to #GetYourStatsUp and let League For Lacrosse do the bragging for you.

### 1 RATING BADGE

Your current rating is the overall rating that other League members have given you on your game. You will receive a rating badge ranging from "WALKING TURNOVER" to "LEAGUE MVP" according to that overall rating.

### 2 FUNDAMENTALS RATINGS

On the MyStats screen you receive a break down of what your average rating is in each of the five lacrosse fundamentals.

### 3 SHARE YOUR RATING

Tap the "SHARE RATING" to show everyone what you have achieved in your League.

### 4 SPREAD THE WORD

Share your certified League For Lacrosse rating via Text Message, Email, Twitter, Facebook, Google+, and many more.
