

**Tournament Chair Penn State
President Emeritus Rodney Erickson:**

*Being both a farmer and an educator,
I know firsthand how powerful
agricultural education can be, not just
for those who till the field but also for
those who consume the harvest.*

*Penn State Collegiate Farm Bureau
enhances students' breadth of
knowledge about agribusiness. The
PA Friends of Agriculture Mobile Ag
Labs provide nutrition and food safety
instruction as well as environmental
activities to 100,000 elementary and
middle school students each year.*

*On August 17th you can help both of
these beneficial programs and enjoy
18 holes of golf too!*

Thanks for your support,
