Two 1x2 Video Walls for ImmunoGen Booth at 2015 ASCO

## 3D Video Walls for Short Term Rentals

Imagine a glasses-free 3D experience across up to 16 displays that spans 12 feet or more. Any configuration you can dream up, running from one powerhouse Video Wall Controller.

- Up to 16 displays per controller
- Super narrow bezel (5.9 mm)
- Resolution up to 33 Megapixels

*"Magnetic 3D's video wall was a great alternative to LED or traditional video walls, considering its attractive price point and the seamless ability to show regular 2D content or next-generation, large-format, glasses-free 3D content."*
