> ENDORSEMENTS

“It’s here at last—a scripturally rich, spiritually grounded, practical handbook on deliverance ministry and spiritual warfare. My own heart was encouraged to see greater spiritual advances after reading this book.”

- **Dr. Michael L. Brown, Ph.D.**

“It is encouraging to see this subject addressed with clarity, biblical integrity, and accessibility. Stephen Beauchamp has faithfully served as a leader of the IHOPKC prophetic, healing, and deliverance ministries, and now he has translated his many years of experience into a practical deliverance resource for all believers. I recommend this book for anyone interested in developing their understanding of spiritual warfare and strengthening their approach to pastoral ministry.”

- **Mike Bickle**, Founder, International House of Prayer, Kansas City, MO

“Stephen Beauchamp has written a clear, practical book on very controversial subjects: spiritual warfare and the Christian ministry of deliverance. His treatment is evenly grounded in Scripture and personal experience. Rather than encumber the reader with thick, theological analysis, Mr. Beauchamp offers a simple ministerial approach to helping people regain spiritual health and wholeness. The book is a very good read.”

- **Chuck Metteer Ph.D.**, V.P of Training/Academic Dean, International House of Prayer University

“Stephen Beauchamp sheds light on the often misunderstood topic of spiritual warfare. Through personal experience and Scriptural insight he will teach you to move in faith rather than fear to victory in Jesus.”

- **Evangelist Daniel Kolenda**, President of Christ for All Nations
