St. Augustine, FL – [Ben English, Davidson Realty Inc.](#) is featured in a special section of the July issue of Jacksonville Magazine as a 2015 Five Star Real Estate Agent award winner.

Five Star Professional partnered with Jacksonville Magazine to identify and showcase an exclusive group of real estate agents who have demonstrated excellence in their field. Less than 3% of agents in the Jacksonville-area received this recognition.

“General real estate agent in St. Johns Co. I mainly work by referral from friends and previous customers. I pride myself on customer service. I get very excited about my relationships with the people I work with. Great follow up and contact is one of the reason for great relationships that I enjoy. I enjoy the challenge of sales and opportunity to create new friendships through dedicated customer service. It is a complete honor and totally unexpected. What it means to me is that the people I have helped think enough of me to take the time out of their busy schedules to recommend me for this award,” says Ben English of Davidson Realty Inc.

The 2015 Five Star Real Estate Agent award winners have been carefully selected for their commitment to professional excellence and overall client satisfaction. The award is based on rigorous research with significant focus on customer feedback and providing quality services.

“Thank you very much for your trust and confidence in allowing me to be your agent. The best accolade you could to give me is to recommend my services to a friend or family member,” states Ben.

“Five Star Real Estate Agents are more than knowledgeable experts in their field. They maintain a sharp focus on building enduring relationships and demonstrate tremendous dedication to the families and individuals they serve,” Lynn Hargreaves, VP, Research and Services Operations, Five Star Professional.
