
QUESTIONS & ANSWERS

Below is a list of the frequently asked questions in relation to directory projects that you may find helpful as you and/or your staff field inquiries about the project.

Who is Harris Connect?

We've partnered with Harris Connect to produce our directory. Harris Connect has been an industry leader for nearly 50 years and we are confident that this publication will meet the needs of our constituents.

When can I expect to hear from Harris Connect?

Monday through Friday, Harris Connect makes calls beginning at 8:00 a.m. and continuing until about 9:00 p.m., in all time zones. They may try to contact you at work during the day or in the evening. If you are contacted at a time that is inconvenient for you, simply let the representative know. S/he will give you the Harris Connect toll-free number or will arrange to call you later.

If my name is listed in the directory, am I obligated to purchase a copy?

Although everyone will be given the opportunity to purchase her or his own copy of the directory, your name will be listed regardless of whether you decide to purchase a copy.

What if I don't want to be listed in the directory? What if I don't want certain pieces of information listed?

Harris Connect can still update your information for us, but will honor your specific request to exclude all or parts of your biographical data from the publication.

What happens if I don't order a directory now, but change my mind later?

We have arranged to print as many directories as are ordered before we go to press. So, if you do change your mind prior to publication, you can call the dedicated toll-free number (please refer to the number in my email).

What if I decide I want to cancel the order I have placed?

Orders for the directory may be canceled by returning it to Harris Connect or by calling the Harris Connect Customer Service Department at 1-800-877-6554.
