**Paragon Development Systems, Inc. establishes Record Revenue Month**

*Technology Services Company continues blistering 2015 revenue pace*

**MILWAUKEE — July 14, 2015 —** [Paragon Development Systems \(PDS\)](#), a leading information technology solutions and services company, announced today that it has established a new high in monthly revenue during June 2015.

Growing customer demand for Professional Services, End User Devices, and Enterprise Technologies were among the top drivers for PDS' record month. "It was another quarter of profitable growth for PDS, highlighted by record June revenue." said PDS President & CEO Asif Naseem. "We fully expect to see the momentum that we built over the past six months to continue at this pace. Team PDS is grateful to our customers for their belief in our ability to serve them."

**[About PDS](#)**

While providing IT solutions, services and technologies, PDS builds strategic relationships with clients that result in improved performance, which is measured by increased productivity, decreased cost, higher customer and employee satisfaction and greater business compliance. Founded in 1986, PDS partners with medium to large enterprise organizations in healthcare, corporate and government/education industries to provide strategic value and advanced technology solutions. PDS is a privately held company with offices throughout the Midwest. Learn more by visiting <http://www.PDSIT.net>
