Upcoming events: Washington DC, Philadelphia, Seattle

MOJO is a premier hiring and networking event exclusive to OFFICERS, SNCOs and NCOs with the minimum of a bachelor's degree. MOJO hosts 400-500 candidates and 50-60 employers at each career fair, yielding a very high-touch, low candidate to company ratio, unlike many other veteran events.

*"Military MOJO is the most professional, organized, and succinct opportunity for transitioning military members. Their staff is understanding, timely, and accommodating. Through their hiring fair, I was able to secure a position with Amazon as an Operations Leader near my specified location making \$20k more than I made in the USMC, with more benefits! I highly recommend MOJO over all other veteran career fairs." John (USMC)*
